Dated 7—9th April 1928.

"Reference invited to the advertisement published in detail in the *Mysore Gazette* of 12th April 1928 advertising the date of tender will be received."

Dated 13th April 1928.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Hassan Division, up to 3 P.M. on 10th May 1928, for restoring Kenche Doddakere Register No. 263, Holenarasipur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1929.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rupess 300 (three hundred only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restorihg Kenche Doddakere, Holenarasipur Taluk, in default of which tenders will be rejected."

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond : in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
